中国海湃气垫船有限公司

China Haipai Hovercraft Ltd.

An Application to Join the WHO

We are China Haipai Hovercraft Ltd, which is the leading hovercraft company in China. After many years' developing, we can see that more and more hovercrafts start been used in China. Now our clients have dotted all over the country. For better communicating with global hovercraft companies, we apply to join The World Hovercraft Organization (WHO).

In the future, we hope that we can work with the WHO, to expand the virtues of hovercraft and organize global hovercraft races within China. We hope that by our effort, hovercraft can be more and more popular and become one of the major vehicles in China.

You can find our company's information as following:
